## What we're covering today

- Identifying the target market and target audience
- Common advertising techniques
- Tips for becoming a savvy consumer

#### Identifying the target market and target audience (1)

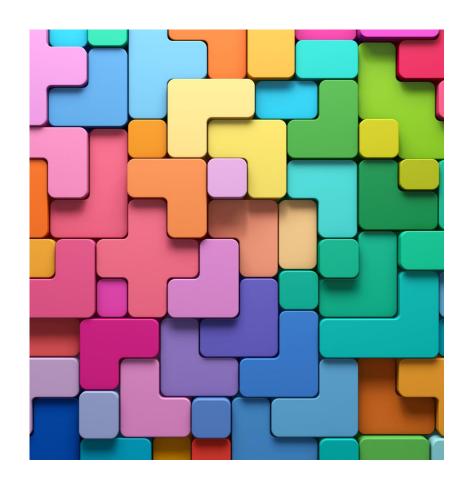

- Target market: "A particular audience or segment that have been identified as likely customers of a product or service" (Doyle, 2016c)
  - Example: College students
- Target audience: "A group who have been identified as potential receivers of information or messages about a product, service, or idea" (Doyle, 2016b)
  - Example: College students and their parents

## Identifying the target market and target audience (2)

- Market segmentation: "...the division of a totally heterogeneous market into groups or sectors with relatively homogeneous needs and wants" (Doyle, 2016a)
- Types of segmentation (Doyle, 2016a)
  - Geographic
  - Demographic
  - Brand loyalty
  - Usage level
  - Product

- Benefit
- Lifestyle
- Market niche
- Psychographic

#### Activity 1

- Pretend you are creating a video advertisement for a favorite product or service
  - O What is the product or service?
  - Who is your target market (the likely customers)?
  - Who is your target audience (the likely receivers of information)?
  - What type of segmentation would you use? Why?
  - What do you need to learn about your target market and target audience to create a successful advertisement?

#### Identifying the target market and target audience (3)

- What are some ways that advertisers might learn about a target market and audience?
  - Market research
  - Freely available data and statistics
    - Census Bureau profiles
    - Bureau of Labor Statistics
      - Consumer Expenditure Survey
      - American Time Use Survey

## Common advertising tactics (1)

- What tactics have you noticed in recent advertisements?
- Where did you see these advertisements?

#### Common advertising tactics (2) (FTC, 2013)

- Association
- Call to action
- Claim
- Emotional appeals (Indeed Editorial Team, 2022)
- Games/activities
- Humor
- Hype
- Must-have

- Fear
- Prizes, gifts, sweepstakes

#### Tips for becoming a savvy consumer

- Ask yourself:
  - O Who is responsible for the advertisement?
  - O Who is the advertisement for?
  - What does the advertisement want you to do?
  - What tactic(s) are being used?
- Investigate the company/product
  - O Who are possible competitors?
  - Are there similar products?
